RIPESS WORKSHOPS AND ASSEMBLY

March 25 **Reclaiming Local Food Systems**
11:30am-2pm | AMPHI AP2 AP2
Habitat International Coalition, Urgenci, RIPESS, La Via Campesina

This workshop will discuss and share the links between the Right to the City platform, the food sovereignty movement, and solidarity economy. This activity will focus on enhancing local and regional food systems (city region food systems), including tangible experiences in creating better and more sustainable access to food in urban areas. Presenters will share their organizational experiences in implementing structural change in urban areas.

March 26 **How to organise convergence between social movements of struggle and actors of change that are promoting solidarity economy**
8:30am-11am | 111
RIPESS Europe, Centrale Nationale des Employés (CNE)

Participatory debate about the necessity of convergence among those organizing the resistances. How to organize the convergences between social movements of struggle and change agents that are promoters of alternative and solidarity economy, how to better connect the forces between the South and the North?

March 27 **Social Solidarity Economy and Post-2015 Sustainable Development Goals**
11:30am-2pm | 208-I207
RIPESS, Pactes européens, Enda Tiers-Monde

The workshop will explore the potential of the Social Solidarity Economy (ESS) for a paradigm shift towards sustainable development in the context of negotiations on the agenda of the post-2015 development.

March 27 **CONVERGENCE ASSEMBLY**
Post-2015 Agenda: what development, for whom and why?
3pm-5:30pm
ATTAC France, Beyond 2015, Enda Tiers-Monde, IBON International, Our World is Not for Sale, Plataforma 2015 y más, RIPESS- Intercontinental Network for the Promotion of Social Solidarity Economy, Social Watch

The Convergence Assembly on the post-2015 development agenda aims to bring together social movements and civil society organizations wishing to share their perspectives on the Sustainable Development Goals (SDGs) and the Financing for Development framework currently under negotiation at the United Nations in order to inform one another, share analyses and propose joint actions. The SDGs call for a paradigm shift. Let's make sure the peoples have a say in the development agenda to build more just and sustainable economies and societies!
