FINANCING URGENCI THROUGH MEMBERSHIP

Working group held during Urgenci Open Forum
1st of March 2014, Villarceaux

INITIATOR

Rupert

PARTICIPANTS

François, Antoine.

TOPICS

Become easier for a member from the website

Sign up online more easily

Ask a percentage or a multiple of the number of members (200 hundreds)

Benefit in kind : using random draw to find people among the members of Urgenci to accomplish tasks

Transparency of the use of money (cf the question : what money the adherent of Urgenci may give not the one coming from the authorities?)

Urgenci may formally invite all the country or region networks to join as membership
Urgenci may be very clear on what it does and what it costs. That depends on the other workshops and the planning to come.

KEYWORDS

We need financial solidarity

ACTIONS

·Improve the Urgenci membership package :

·1) work on the improvement of the online possibility to be a member

·2) formally invite all the country or region network to join as a member

·3) while the global Urgenci planning for the next 6 months will be written, the budget associated will have to be thought, and a group may work on the problem of the membership
